UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

ASUS COMPUTER INTERNATIONAL,

Plaintiff,

v.

ROUND ROCK RESEARCH, LLC,

Defendant.

ROUND ROCK RESEARCH, LLC,

Counterclaim Plaintiff,

v.

ASUSTEK COMPUTER INC. and
ASUS COMPUTER INTERNATIONAL,

Counterclaim Defendants.

Case No. 5:12-cv-02099-WHA

**STIPULATED REQUEST AND
~~(PROPOSED)~~ ORDER TO
CONTINUE INITIAL CASE
MANAGEMENT CONFERENCE TO
SEPTEMBER 6, 2012**

Plaintiff and Counterclaim Defendant ASUS Computer International, Counterclaim Defendant ASUSTek Computer Inc., and Defendant and Counterclaim Plaintiff Round Rock Research LLC hereby stipulate and jointly request that the Court continue the initial Case Management Conference (“CMC”) currently set for August 23, 2012 to September 6, 2012.

After this case was reassigned, the initial CMC was set for August 9, 2012. (Dkt. 19.) On July 12, 2012, parties submitted a stipulated request to continue the CMC from August 9, 2012 to September 6, 2012 because Paul Bondor (*pro hac vice pending*), lead trial counsel for Round Rock

Research, had a previously-ordered claim construction hearing in the Eastern District of Texas on August 9 and would be unavailable for the CMC as previously scheduled. (Dkt. # 21.)

On July 17, 2012, the Court granted in-part and denied in-part the stipulated request and set the CMC for August 23, 2012. (Dkt. # 22.)

The parties respectfully request that the Court continue the CMC to September 6, 2012, as the parties originally requested, based on additional information as provided in this stipulated request. Based on the Court's calendar, the first two available dates for a CMC after August 9th were August 23rd and September 6th. Mr. Bondor, however, has a long-standing family vacation planned that encompassed August 23rd, and would return only after Labor Day. September 6th was thus the first date available for a CMC based on the Court's and counsel's schedules.

This is the parties' second request to change time. A previous initial Case Management Conference was vacated when this case was reassigned to Judge Alsup. (Dkt. # 14.) The parties previously filed a stipulated request to continue the CMC to September 6. (Dkt. # 21.) The requested continuance will not affect the schedule of the case.

Respectfully submitted,

Dated: July 25, 2012
